OPEN HEART AND PROFESSIONALISM

MESSAGE FROM THE PRESIDENT

“ Today, we do not merely
inaugurate officers.

We inaugurate a movement-
a solemn commitment to
professionalism, integrity, and
the welfare of every licensed
customs house agents in Ghana. ”

Distinguished guests, government partners, regulatory authorities, valued members, and friends of the industry, it is with immense pride and deep gratitude that we welcome you to this historic occasion: the Inauguration Ceremony of the Customs House Agents Association of Ghana.

CHAAG was founded on a simple but powerful conviction - that the licensed customs house agents of Ghana deserve a credible, professional body governed, and constitutionally grounded body that truly represents their interests, advocates for their dignity, and upholds the highest standards of customs practice.

We are honoured by the presence of the Honourable Minister of Finance, the Commissioner of Ghana Revenue Authority's Customs Division, the leadership of our Port Authorities, and distinguished Members of Parliament.

Your presence today signals not merely courtesy, but partnership - and partnership is precisely what Ghana's trade facilitation agenda demands.

To our forty-two founding member companies: you made a bold and principled choice.

Today is yours.
CHAAG exists for you.
CHAAG is governed for you.
CHAAG will fight for you.
Always with Open Heart and Professionalism.

Together, we shall build an institution that strengthens our profession, advances national trade, and contributes meaningfully to Ghana's economic transformation. Thank you for believing. Thank you for building. Thank you for leading.
